Attention Grade 5 Parents/Caregivers

- New Jersey Administrative Code requires all children entering Grade 6 in September 2021 be in compliance with the following vaccinations for school attendance:
Diphtheria, Tetanus and Pertussis Vaccine (Tdap)
Meningococcal Vaccine
- There will be no grace period for students who have reached age 11 by August 15, 2021. Students with birthdates between August 15th and December 31st must have documentation of these vaccinations submitted to their middle school nurse within two weeks of their 11th birthday.

It is strongly suggested that you submit the vaccination documentation to your child's current elementary school nurse as soon as the vaccination is received.

Please call or [email](#) Nurse Dowling with any questions you may have.

Health and Safety Forms

- Please remember to complete the re-entry health and safety contract in Genesis if your child will be participating in hybrid learning. Immunizations and physical exams for kindergarten and new students must also be completed and on file in the nurse's office for fully remote **and** hybrid students. Medical action plans and medication forms must be submitted to Nurse Dowling as soon as possible for all hybrid students. Please email Nurse Dowling [here](#) if your child or a household member has tested positive for COVID-19 or if you have any questions.

Upcoming Dates

- Feb. 14th: Valentine's Day
- Feb. 15th: President's Day – District Closed
- Feb. 25th: Early (1:40) Dismissal for Curriculum Meetings

Enjoy your weekend, and have a Happy Valentine's Day!
