April is Poetry Month

- Each year the month of April is set aside as National Poetry Month, a time to celebrate poets and their craft. Various events are held throughout the month by the Academy of American Poets and other poetry organizations.
 - In celebration of National Poetry Month, Bradford School will continue to explore the genre and provide our students with the opportunity to craft and share poetry of their own.

Update on School Reopening and Hybrid Scheduling - Technology

- In preparation for our scheduled reopening on April 12, please send students into school with the following items each day:
 - Personal headphones in a gallon size zipper bag (label the headphones & the bag with your student's name). Headphones can be 3.5 mm or USB versions. If a student does not have a personal headset, we will have some available for students to use while in school.
 - Students who have district assigned Chromebooks should bring the device and charger into school for each in-person day. Devices will be packed up and sent home with the student each afternoon.
 - When purchasing a headset, make sure it is Apple and Chromebook compatible. It can be a 3.5mm or USB connection.
 - If possible, purchase a headset with a built-in microphone. Here is an example of a headset: Logitech H390 USB, Noise-cancelling headset with microphone on [Amazon](https://www.amazon.com) and [Best Buy](https://www.bestbuy.com).

Daily Health Questionnaire

- All families are required to complete the daily health questionnaire. The form will be available in [Genesis Parent Access](#) on the day of your child's rotation for hybrid learning. If you believe your child should stay home, please contact Nurse Dowling at (973) 509-4153.
 - Per District guidelines, if you do not complete the form, your child will not be permitted to enter their classroom and you will receive a call from the office.

Upcoming Dates
