Business Administrator / Board Secretary

September, 2020

Dear Parents:

The Montclair School District has purchased a Student Accident policy covering all students of the district from BMI Benefits, LLC. The Student Accident policy is excess of the Parent Health Insurance coverage. Once you receive your Primary Carrier's Statement (Explanation of Benefits) you are to submit the Statement along with the actual bills and claim form to:

BMI Benefits, LLC. PO Box 511, Matawan, NJ 07747 Phone Number 800-445-3126.

The Student Accident carrier is no different than a normal Health Care provider. There are policy exclusions, limitations in the type of treatments, and all bills are subject to the usual and customary charge. All injured students must notify the District immediately and a BMI student accident claim form must be completed and submitted within 90 days.

Sincerely yours,
