

# House 1 Supply List 2023 - 2024

We hope you had a restful and fun summer!

The list below has been compiled so that you can get a head start on purchasing this year's supplies. The list may not be inclusive of all of your courses, so check with each teacher to be sure you have everything you need to be successful. Please know that you can repurpose or reuse supplies from previous years if they are in good shape, and let me know if you have a problem getting any of the necessary supplies.

See you in September! 😊
