

# Science Day is Coming!

We need you to be a career panelist!

Do you (or someone you know) have a career in science?

Ready to share your story and inspire our students?

Join us for the 2nd annual Hillside School Science Day

April 4, 2019!

The Hillside School Science Day is an exciting and interactive way to expose our children to science!! As part of this special day, students will hear from a variety of people who represent a diverse workforce in the fields of science and engineering. **We need your help recruiting these professionals.** Examples include: wildlife biologists, chemical engineers, food chemists, astronomers, doctors, nurses, civil engineers, physicists, etc. We want to have as many disciplines represented as possible.

If you or someone you know would be an ideal candidate for the career panel, **please complete and return the attached Career Panelist Sign-Up Form (see back page)** to Susan Bermeo, Hillside School Room 206, [sbartol@mpsdnj.us](mailto:sbartol@mpsdnj.us). Or fill out the google form **by February 15, 2019.**
