

# Hillside Elementary School

## Hybrid Plan - Families

**Hillside Elementary School**

**54 Orange Road, Montclair, NJ 07042**

**School Office Hours: 8:00am-4:30pm**

**Phone: 973-509-4200 ~ Fax: 973-509-1882**

**<https://hillside.montclair.k12.nj.us/>**

\*

**Dr. Samantha Anglin, Principal**

**Mr. Thomas Adamo, Assistant Principal**

## Introduction

Our school Pandemic Response Team has created this plan for our school based on the district Return to School Plan document to aid in navigating the reestablishment of our schools where employees, students and families feel safe, and to reduce the impact of COVID-19 conditions upon returning to the school. Multi-tiered efforts to mitigate risks for our students and staff are in place. While there cannot be a guarantee against the spread of COVID-19, the guidelines referenced in this plan are based on guidance from the Centers for Disease Control and Prevention (CDC), the State of New Jersey Department of Education (NJDOE), The Road Back and the New Jersey Department of Health (NJDOH), in consultation with our school district physician and the Montclair Health Department. Regular updates will be made to this plan based on information provided by the CDC, NJDOH, and applicable federal, state and local agencies.

Hillside School will be utilizing the following strategies and procedures toward ensuring the health and safety of staff and students.

## Mask Policy

- All students and staff members are required to properly wear a mask (over the nose, mouth and chin) at all times. The MPS will distribute 2 cloth 3- ply masks to each student and staff member. One face shield will be provided to each staff member to wear with his/her/they mask. Face shields alone (without a mask) may only be worn by students or staff members with permission from the Medical Team, as deemed necessary, on a case-by-case basis (ABA, hearing impaired students, speech therapists etc.). Students and staff may wear their own 2-ply or above cloth masks, surgical masks or KN95 masks from home.
- ***Bandannas, gaiters, scarves, fleece, neoprene and masks with valves are not permitted.***
- The school will not supply daily surgical masks to staff or students. They will be available for emergencies only.
- The K-2 student population may remove masks for snack-time. Snack-time should occur outside with 6 ft. distancing as weather permits. During inclement weather, a large snack room will be designated by the principal. Distancing of 10 ft. will be required for indoor snacks. All students must wash their hands or use hand sanitizer before and after snacks. Adherence to our Food Regulation will be enforced.
- Students may lift their masks (from the chin) for quick sips of water (from a personal water bottle) if physical distancing is maintained. Water fountain spouts will be unavailable for use. Students may refill their water bottles at designated stations in each building. Edible reinforcers (ABA population) must be delivered and consumed in a similar manner as sips of water.
- **Medical notes submitted for a determination are considered only if provided by:** Physicians (MD or DO), APNs and PAs if the diagnosis is consistent with the healthcare provider's area of expertise. Requests must be submitted for a determination prior to re-entry. A signed consent form (obtained from the school nurse) allowing our school physician **or nurse** to speak with the prescribing healthcare provider is required.

## Screening Upon Entry

- All staff will have their temperatures checked daily upon entry to the Hillside School building using the ThermoScanner at the front door
  - A staff who presents a temperature of 100 degrees or higher should call the office from outside the building to advise the office
- All students will have their temperatures checked daily upon their entry to the Hillside School building
  - A student who presents a temperature of 100 degrees or higher will be escorted to an isolation area

## Student Arrival

**Please make sure that children are not dropped off before school doors open, as there is no supervision and social distancing cannot be guaranteed.**

- **Bus Drop-off** – Busses will arrive at Hillside Avenue. Students will begin to deploy from the busses at 9:10am. Students will be guided to the black top and wall-ball areas. Related arts teachers and paraprofessionals will supervise student movement to ensure 6ft. social distancing.
- **Car Drop-off** – Students who are dropped off by car MUST be dropped off on St. Lukes Place, the established student drop-off zone. You MUST approach the school by way of South Mountain Ave, drop-off is on the northbound side of the street. Students arriving on the southbound side of the street should not be told by their parents to run across the street.
  - St. Lukes Place is a DROP & GO Area – parents should not get out of their vehicles. Please be reminded that there should be no drop-off on Orange Road. Bussing is encouraged if students qualify for bussing.
  - At no time are parents permitted to enter the staff parking lot with their cars. Each parking spot in the STAFF ONLY PARKING LOT is assigned to an employee.
  - At no time are parents permitted to drop-off or pick-up on Hillside Avenue (side that aligns the school building) HILLSIDE AVENUE is our bussing drop-off and pick-up area.

3rd grade students will walk to the wall-ball black top by St. Lukes Place and the cafeteria. Students will socially distance by standing on markings that are 6 feet apart. When the bell rings at 9:10am, students will enter the building through Door F. Temperatures will be taken as students enter the building. Students will line up by homeroom and be escorted by their teacher.

4th and 5th grade students will walk to the black top by the playground. Students will socially distance by standing on markings that are 6 feet apart. When the bell rings at 9:10am, students will enter the building through Door K. Temperatures will be taken as students enter the building. Students will line up by homeroom and be escorted by their teacher.

All Students will have their temperatures checked daily upon entry to the school building.

**A student who presents a temperature of 100 or higher will be escorted to an isolation area.**

### **Late Student Arrival**

- **After 9:20am:** Any student who arrives after 9:20am must go to Door K for admittance. Parents or guardians must park on Orange Rd. and escort their child to Door K (parking lot door) and ring the doorbell. Parents will wait until the health screen is completed. Students who are approved to enter school will do so.
- **After 9:25am:** Students arriving after 9:25am will be considered tardy and marked so in Genesis.
- **After 9:45am:** Any student arriving at school after 9:45am shall do remote learning for the day. Parents will be advised to take their child home for remote learning.

### **Before Care**

- The YMCA will communicate their procedures to families who have elected to enroll their child.

### **Student Dismissal**

**Teachers must hang their dismissal plan in the hallway outside their classroom door, identify walkers and bussers (indicate which bus).**

**Bussers** – Students who take the bus home will wait in their designated area until their bus is called. They will proceed to the bus area when their bus is called. Bussers will walk to their bus independently.

Students on floor 1 & 2 will proceed to Stairwell 1 in order to go down to Door C for busses. Students on the ground floor will proceed to Stairwell 2 in order to exit Door D for busses.

**Walkers** – Students who walk home or are picked-up will be escorted by their teacher to the front lawn for dismissal. Please complete the electronic walking form, especially if your child is allowed to walk away from the school building alone.

**Aftercare** - Students who attend aftercare will be notified when it's time for them to walk to the designated area.

### **Student Late Pick-Up**

- If the parent does not pick up the child by 1:20, the teacher will walk the child to the front vestibule area
- Supervision will call main office on walkie-talkie
- Office will call the parent/guardian for pick-up status, to take place on Orange Rd. Door A

### **Student Early Dismissal**

- If family knows they will need early dismissal, child should have remote day
- For an **emergency** situation, parent will call the office upon arrival
  - The student will be collected and escorted to Door K
  - Sign-out procedures will be followed and recorded in the binder and in Genesis

## **Physical Distancing**

- Classrooms, hallways and common areas are set-up to maximize physical distance to the greatest extent possible for students and staff (6 ft. or greater).
- Students and staff are required to follow physical distancing. Signage is located in the hallways, stairwells, outside the bathrooms, main office, nurse's office and outside on school property. This will help maintain physical distancing when outside the classroom.
- If physical distancing protocols are not followed, then instances should be reported to the building administration for corrective action.

## **Inside the Building**

### **Classrooms**

- Entry
  - Teachers will determine entry procedure for their class (as classrooms vary)
  - Students will hang their backpacks, coats, and any personal belongings on the back of their chair
  - All student materials will be kept in the student's personal backpack labeled with their name
  - Teachers can make determinations of what materials students should bring to school
  - Materials are not to be shared
  - Student may keep their own personal hand sanitizer with their personal belongings
  - Materials are not permitted to be left in the desk
- Desks in 6 foot x 6 foot boxes
- All classrooms have either sink and soap or hand sanitizer pump
- Teachers may keep their materials belongings in their area of the room and in cabinets/closets
- All lesson components are to happen from the socially distant desks
- Movement breaks
  - Each child stays in their box
  - Stretches; jog in place; gonoodle; etc.
- Dismissal
  - Students pack up their materials and put their jackets on at their seats
  - Have walkers line up six feet apart in front of your exit door.
- Devices
  - Students must bring their district issued Chromebook to and from school each day
  - When returning home, devices need to be charged in preparation for the next day's learning
  - Students who have not been issued a district device will be supplied a device

### **Elevator**

- One adult person in elevator at a time
- Immobilized students will be escorted by an adult, arranged made with the school nurse

### **Hallways**

- Hallways are marked with tape in the center of the floor to divide hallway in half for one way traffic on each side
- Arrow signage will detail direction for each side of hallway

- There may be multiple classes/people in the hallway at a given time
- Students and staff are required to follow physical distancing signage in the hallways, stairwells, outside the bathrooms, main office and nurse's office to help maintain physical distancing when outside the classroom
- All classroom doors will remain open (but in the locked position at all times) during the school day when class is in session. All hallway and stairwell doors will remain open during the school day
- Students will not utilize lockers at anytime
- Water fountains will not be operable

**Stairwells** - All stairwells are designated up or down stairwells, except during the arrival period of the school day. During arrival stairwells will be for both up and down use.

- Stairwell 1: Down stairwell
- Stairwell 2: Up stairwell
- Stairwell 3: Down stairwell
- Stairwell 4: Up stairwell
- Stairwell 5 (Door K): Up stairwell

### **Student Bathroom Visits**

- maximum bathroom capacity of 2 students per restroom
- we will review expectations with all students, as they will need to assess how many children are already in the restroom before using the facility
- Students will need to wait in the hallway for their turn if the limit has been met
- Students are required to use the restroom that is closest to their classroom
- Students are required to follow the rules for cleanliness that are posted in all bathrooms
- The middle stall in the bathrooms are locked and taped off and not for use
- The middle sinks in the bathrooms are taped off/covered and not for use
- Staff will assist in monitoring when schedules permit
- Custodial staff will routinely clean restrooms

### **Ventilation**

It is recommended from the CDC that we provide as much fresh air as possible. Our classrooms are ready for students and staff either through mechanical ventilation, air purification, windows being opened and reduced class sizes. For your convenience the district has put together a Facilities Frequently Asked Questions (FAQ) document which is posted to the [COVID page](#) on our website.

Elementary Schools' Ventilation Report:

[https://www.montclair.k12.nj.us/UserFiles/Servers/Server\\_889476/File/Parents/COVID-19/2021/Elementaries%20-%20Area%20Specifics%20-%20Jan%2011%20\(002\).pdf](https://www.montclair.k12.nj.us/UserFiles/Servers/Server_889476/File/Parents/COVID-19/2021/Elementaries%20-%20Area%20Specifics%20-%20Jan%2011%20(002).pdf)

### **Visitors**

- Excluding Montclair Public School Employees, no visitors are allowed in the school building. If parents need to drop off an item that a student forgot, they will ring the bell and then place the item in the bin outside of the front door. Please make sure the item is labeled with the student's name and teacher.

### **School Issued Lunch/Breakfast**

- Grab and Go lunch/breakfast will be distributed to students twice a week on Mondays and Thursdays
- After Care students will be able to utilize the cafeteria refrigerator

### **Snack Time**

- Snack-time should occur outside with 6 ft. distancing as weather permits
- During inclement weather, a distance of 10 ft. will be required for indoor snacks
- All students must wash their hands or use hand sanitizer before and after snack
- Adherence to our district Food Regulation will remain in effect
- Students may lift their masks for quick sips of water (from personal water bottles) if social distancing is maintained
- Water fountain spouts are unavailable for use

### **Hand Washing/Hand Sanitizing**

Every 90 minutes, students will be required to wash hands for 20 seconds with soap and water or use hand sanitizer. At a minimum, additional times for hand sanitizing are:

- Upon entering the school bus
- Upon entering the school building
- Before and after snacks
- After using the restroom, wiping nose, sneezing
- When coming in from outdoor snack or playtime
- When hands are soiled

### **Drills**

#### **Fire Drills**

Fire drills will continue to occur monthly to comply with state guidelines. Drill alarm will sound off and at that time teachers will turn off their cameras. Staff and Students that are in the building will exit the classrooms and adhere to social distancing regulations. Once the drill is complete and students return to the classroom teachers will turn their camera back on and review fire drill procedures with all students (i.e. evacuation route, remaining calm and quiet).

#### **Security Drills**

Security drills will continue to occur monthly to comply with state guidelines. Drill alarm will sound off and at that time teachers will turn off their cameras. Students in the school building will follow the drill protocol that is being practiced and adhere to social distancing regulations. Once the drill is complete teachers will turn their camera back on and review the type of security drill with all students (i.e. evacuation route, remaining calm and quiet).

#### **In-Person/Virtual Student**

In-person students will participate in the drill, according to the drill guidelines.

Virtual students will be aware of the drill. but will not participate. The teacher will turn off their camera and sound for the duration of the drill. Virtual learners will wait until their teacher returns. Virtual students will participate in the drill when they are in the building.

## Nurse's Office

- There is a designated isolation space located next to the nurse's office. There is a designated overflow isolation space located in the Teachers' Resource Room
- Students with a fever of 100 degrees or above will be sent to an isolation space until they leave the building. Parents/caregivers are urged to update their child's emergency contacts so a designated person is available to pick-up the child within 30 minutes of receiving the call
- Staff members exhibiting symptoms will go to the isolation space for an assessment
- Students or staff members with temperatures of 99 degrees or above will be assessed and monitored by the nurse
- Should a child or teacher become ill and vomit in the classroom, the relocation classroom is room 104
- All student's or staff members without a fever, but with any symptom of COVID-19 during the school day, will be assessed by the school nurse. The school nurse will use medical judgement, as well as a COVID-19 screening algorithm approved by our medical team, to make the decision if a student/staff member must be immediately isolated and excluded from school, or may receive treatment and rest pending a rapid resolution of the problem. If the problem is rapidly assessed and treated by the nurse, the student/staff member may return to class
- The nurse may choose to isolate and exclude any student or staff member based on her medical judgement
- To maintain a sanitary and safe nurse's office, physical distancing will be maintained
- Staff may not use the bathroom in the nurse's office
- Students/staff should stop at the door of the nurse's office prior to entry
- Students/staff may not use the nurse's office for phone calls, snacks, naps or any reason other than medication, first-aid, injuries or illness
- Routine health screenings such as height and weight will not be performed this school year. Please contact Hillside's school nurse with any specific concerns: Rosemarie Boyle, [rboyle@montclair.k12.nj.us](mailto:rboyle@montclair.k12.nj.us) or 973-509-4192.

In anticipation of our hybrid opening, our district nursing office has created a chart to provide information on how to proceed if symptoms or other scenarios arise due to COVID-19. Please review this chart and email the nurse in your child's school if:

- Your child has recently tested positive for COVID-19
- Household members of students returning to hybrid have recently tested positive for COVID-19
- Your child is in quarantine due to an exposure to COVID-19
- Guidelines for out of state (exceptions: NY, CT, DE, and PA) have changed. Students and staff will be required to quarantine for 10 days following return to New Jersey. Testing is not required, and quarantine time will not be reduced due to a negative test.

COVID-19 [Health Related Guidance Chart](#) for staff and students (1.15.21)

## Plan for Reporting COVID-19 Cases and Response Protocols

- Staff members will report a personal positive case to the nurse/principal who will then report to the nursing supervisor. The Health Department guidelines will be followed and will address each case individually.
- Our medical team will address a positive case of COVID-19 of a student, staff member or close contact (generally household) on a case by case basis, respecting the privacy of the individual and protecting all other students and staff in the classroom/school. We will require a combination of strategies including symptom and time (quarantine) and healthcare provider's clearance to return to school.
  - Parents should contact the school nurse if their child will be absent from school for medical reasons.
  - Staff members contact the school nurse and principal to self report in case they develop symptoms of COVID-19.
- See attached link for New Jersey Department of Health Guidelines for K-12 Schools:

[https://www.nj.gov/health/cd/documents/topics/NCOV/RecommendationsForLocalHealthDepts\\_K12Schools.pdf](https://www.nj.gov/health/cd/documents/topics/NCOV/RecommendationsForLocalHealthDepts_K12Schools.pdf)

- Does a child need to quarantine if their sibling's class has been quarantined? Not unless the reason the class is quarantined is due to positive COVID in sibling or household member.
- If a staff member or student has a 100 degree temperature, what do they need to provide in order to be cleared to return? They must remain home asymptomatic for a minimum of 24 hours and will need a clearance letter from a physician to return.

**Hybrid Master Schedule**

**3rd Grade Schedule**

	<b>Minute s</b>	<b>GRADE 3</b>	
<b>9:10 - 9:20</b>	10	Arrival	
<b>9:20 - 9:40</b>	20	SEL Activity	
<b>9:40 - 10:20</b>	40	CORE Instruction	
<b>10:20 - 11:00</b>	40	CORE Instruction	
<b>11:00 - 11:40</b>	40	Related Arts	Related arts teachers will deliver instruction virtually to all students in a given homeroom. *see additional information below
<b>11:40 - 12:20</b>	40	CORE Instruction	
<b>12:20 - 1:00</b>	40	CORE Instruction	
<b>1:00 - 1:10</b>	10	Pack-up	
<b>1:10 - 1:20</b>	10	Dismissal	
<b>1:20 - 2:10</b>	50	LUNCH	
<b>2:10 - 2:40</b>	30	Aesthetic Class	Students will attend their Period 3 or Period 7 aesthetic. *see additional information below
<b>2:40 - 3:10</b>	30	Movement Break/Asynchronous work time/Tier 3 Intervention	
<b>3:10 - 3:35</b>	25	Movement Break/Asynchronous work time/Tier 3 Intervention	

**\*The afternoon portion of your child’s school day is further explained with a specific Aesthetic class schedule listed on page 13.**

**4th Grade Schedule**

	<b>Minutes</b>	<b>GRADE 4</b>	
<b>9:10 - 9:20</b>	10	Arrival	
<b>9:20 - 9:40</b>	20	SEL Activity

<b>11:40 - 12:20</b>	40	CORE	
<b>12:20 - 1:00</b>	40	CORE	
<b>1:00 - 1:10</b>	10	Pack-up	
<b>1:10 - 1:20</b>	20	Dismissal	
<b>1:20 - 2:10</b>	50	Lunch	
<b>2:10 - 2:40</b>	30	Movement Break/Asynchronous work time/Tier 3 Intervention	
<b>2:40 - 3:10</b>	30	Aesthetic Class	Students will attend their Period 4 or Period 1 aesthetic. If you do not have a Period 4 aesthetic, then you will participate in a Movement Break/Asynchronous work time/Tier 3 Intervention during this time. *see additional information below
<b>3:10 - 3:35</b>	25	Aesthetic Class	Students will attend their Period 5 aesthetic. If you do not have a Period 4 aesthetic, then they will participate in a Movement Break/Asynchronous work time/Tier 3 Intervention during this time. *see additional information below

**\*The afternoon portion of your child’s school day is further explained with a specific Aesthetic class schedule listed on page 13.**

## **Schedule**

- The school day will begin at 9:10am and end at 3:35pm with in-person opportunities ending at 1:10pm
- **The teacher will admit virtual students via Zoom/Google Meet at 9:20am**
- In the morning students will receive CORE and Related Arts (by homeroom groupings) instruction
- In the afternoon (after the 1:10pm dismissal) students will participate in
  - Aesthetics
  - Movement Breaks
  - Asynchronous work time; and/or
  - Tier 3 Intervention with Curriculum Support Teachers
  
- CORE Instruction:
  - Each day, students will receive 80 minutes of synchronous instruction in English Language Arts/Social Studies and 80 minutes of synchronous instruction in Math/Science.
  - General Education teachers will switch classrooms to delivery instruction to their second group of students. The rationale for switching the teacher as opposed to the students - this switch will require the least amount of square footage that needs to be sanitized/cleaned in between use.
  - Special Education Resource Room and Self-Contained students will switch classrooms to receive instruction from their switch teacher. The rationale for switching the students as opposed to the teachers - the combination of special education programming varies for each student and does not allow us to simply switch the teacher. Sterilization and cleaning will take place in between class periods when students are moving to a different classroom.
  
- RELATED ARTS Instruction:
  - Every student will experience one period of related arts instruction in the morning. This is NOT your child's elected aesthetic period
  - 3rd, 4th, & 5th graders will receive a related arts class in the morning with a homeroom class
  - Teachers will follow a rotating schedule, this schedule will be shared to you by the homeroom teacher
  - Related arts instruction will be delivered virtually to all hybrid and remote students
  - Physical Education classes will be done in-person for those students who are in-person & virtually for those who are remote. The PE teachers will escort in-person students to and from class
  
- SPECIAL EDUCATION Services:
  - In-person students who are classified will arrive to school and line-up with their 2nd period teacher
  - Students who are classified will continue to receive special education instruction, related services, and paraprofessional support as indicated in their IEPs
  - Related Services/therapies will be 100% virtual. Therapists may need to reschedule students in order to accommodate the hybrid schedule

- In-person students will have the option to sit in another location (other than the classroom) during therapies
- 4th and 5th RR/SC will follow the same daily schedule. This is the only way we can maintain departmentalized delivery of instruction
- CI and AESTHETIC Classes:
  - CI and Aesthetic classes will take place in the afternoon after lunch
  - Three aesthetic periods will be offered each day
  - A-day classes will last for two weeks and then we will switch to B-day classes for two weeks

\*Aesthetic Schedule - Here's what the next month will look like:

<b>A-Day Week 1</b>						
<i>Week of 4/12/2021</i>						
		Monday	Tuesday	Wednesday	Thursday	Friday
